

Conference Announcement and
Call for Papers

11th International BUILDAIR-Symposium

Airtight Buildings, Thermography and Ventilation Systems in Practice

May 24 – 25, 2019, Hannover Congress Centrum, Germany

Information and presenting and discussing experiences

We cordially invite all colleagues from Germany and abroad to present their latest results, current insights and their experiences at the symposium. Your contributions can concern common subjects or serve to impart expert knowledge.

Topics at the conference

- Evolution of regulatory requirements, state of the national annexes and current state of implementation of the EN ISO 9972 (practical experience)
- Estimation and rating of leakages (problems, measurements, conclusions)
- Accuracy of airtightness testing methods and reliability of test results (measurement uncertainty, repeatability and reproducibility)
- Challenges in quality assurance in new construction and retrofitted buildings (airtightness concept, measurement techniques, technical solutions and applicable airtightness concepts)
- Additional Measurements (very airtight buildings, guard zone measurement)
- Measurement of big buildings (possibility, equipment, practise)
- Product development of adhesive and sealants
- Measurement of ducts leakage and air outlet (requirement, practise)
- Experience with thermal imaging

Program

The conference program consists of:

- Detailed oral presentations: 30 minutes followed by discussion
- Brief oral presentations + posters: 5 minute introduction followed by exhibit
- Exhibitor presentations: current developments and innovations in 90 seconds

Abstracts

Additional to your paper proposal, we ask to a one-page abstract in English or German. It should contain:

- The full title
- The author's full name, affiliation, address, phone, fax & e-mail
- Purpose of the work
- Method
- Results and assessment of their significance
- Conclusions

A standard form can be found on the website of the conference: see www.buildair.eu.

The completed form should be sent in one of the following ways:

by e-mail: Word, OpenDocument or RTF (text only) to:

abstracts_buildair@e-u-z.de,

by fax to +49 5044 975-66 or

by post mail to the address of the conference secretariat (see below).

Deadlines

Submission of paper proposals	November 1, 2018
Notification of acceptance	November 30, 2018
Submission of full papers	
for the conference transcript	May 10, 2019
Submission of PowerPoint presentations	May 17, 2019

More information will be provided on the conference website: www.buildair.eu.

Conference exhibition

The accompanying exhibition presents products and technologies around the building airtightness, ventilation and thermal imaging. If you would like to present your company and its products at the exhibition during the conference, please contact Ms. Margareta Hollmann (Phone +49 5044 975-22, hollmann@e-u-z.de).

As an exhibitor, you are also given the opportunity to present an innovative product to the plenary in a short 90 second presentation.

Would you like to help

keeping the registration fee low?

On the one hand, we strive to keep the registration fee low, to afford the participation as many specialist colleagues as possible. On the other hand, we want to offer up-to-date know-how and a high level of speakers. A project that we cannot manage alone. Therefore, we would be very happy if you or your company support the 11th International BUILDAIR Symposium by sponsoring. In return we offer you naming your company name in the conference documents, in press releases, and on the conference website. During the symposium, we like to place clearly visible a poster or roll-up from your company. Or you will receive a discount for the hire of a stand in the exhibition area. Terms of your involvement you can arrange with Uwe Brockmann (Phone +49 5044 975-13, brockmann@e-u-z.de).

Organizational matters

Dates

The conference will start on Friday, May 24, 2019, at 9.30 a.m. and will end on Saturday, May 25, 2019, around 4 p.m. A welcoming reception is planned for Thursday evening, May 23, 2019.

The conference dinner takes place on Friday, May 24, 2019.

Venue

Hannover Congress Centrum (HCC)
Theodor-Heuss-Platz 1-3, 30175 Hannover, Germany

Languages

Simultaneous interpretation will be provided for the complete conference in English and German.

Registration fees

	until April 5, 2019	later
Conference fee both days	389 €	449 €
Conference fee one day	229 €	269 €
Conference fee poster speakers (both days)	229 €	229 €
Conference fee speakers technical papers (both days)	0 €	0 €
Conference dinner on May 24, 2019	35 €	35 €

Prices do not include accommodation and are subject to 19% VAT.

Fees cover: attendance of all the sessions and the exhibition; lunches and refreshments during the conference, dine at the conference dinner (only with appropriate booking), the transcript of the conference.
